~~Review of William Kerr's "The Gift of Global Talent"~~

The Gift of Global Talent. Ian Hathaway. November 16, 2018. Books. Talent is to a knowledge-based economy what oil and steel were to an industrial-based one's most important asset.

~~The Gift of Global Talent | Ian Hathaway~~

Global talent primarily has an impact on American innovation, not by quality differences to the average native working in the field, but through the enormous quantity of STEM talent that inflow provides. Global talent has altered the geography of U.S. innovation, as skilled migrants disproportionately favor some cities because of precedents set by past immigration waves and business factors.
