themselves around. The essence of Kotter's message is this: the reason so many change initiatives fail is because they rely too much on "data gathering, analysis, report writing, and presentations" instead of a more creative approach aimed at grabbing the ...

The Heart of Change: Real-Life Stories of How People ...  
At the heart of the journey of personal change is the process of identifying what is holding you back, making you anxious or sad, causing you pain- sometimes literally; the experiences you've had, the beliefs you hold and old patterns that are blocking you from living a healthy and fulfilling life, having the relationships you want in your life, having what you want out of life.
