The Immorality of Punishment

Collective punishment is morally indefensible. It is the action of the SS destroying a village because one person from that village killed a Nazi. But it is just this that Black Lives Matter are doing as they tear down statues and violently attack property because of the actions of one policeman and his colleagues.

The immorality of collective punishment – Daily Globe

In "The Immorality of Punishment", Michael Zimmerman attempts to show that punishment is morally unjustified and therefore wrong. In this response, I focus on two main questions. First, I examine whether Zimmerman's empirical claims-concerning our inability to identify wrongdoers who satisfy conditions on blameworthiness and who might be ...
