## [PDF FREE] Journey from Texts to Translations: The Origin ...

The Journey from Text to Translations explains how the Bible that we use came to be in its present form. In five parts, author Paul Wegner introduces the Bible and its arrangement, describes how the various books were collected into a single canon, examines how the Bible was passed on from one generation to the next, explores how and why early versions were produced, and discusses the myriad of

## Development Of The Bible The Journey from Texts to Translations: The Origin and ...

The texts examined in this book are considered fundamental to their source culture and can also take on a particular relevance to other (target) cultures. The chapters investigate cultural transfers and differences realised through translation and reflect critically upon the implications of these with regard to matters of cultural identity.
