Country girl Tara is whisked off to '60s London to become a star; there she is dressed, she is shown off at Chelsea parties, photographed by the best. She meets songwriters, singers, designers, and records her song.

~~The Misinterpretation of Tara Jupp by Eva Rice~~

I was so pleased when I realized that The Misinterpretation of Tara Jupp tied into Rice's previous novel. It's not a sequel, really, but a continuation of some of the characters that can be read as a stand alone novel. It is so beautifully written. Detailed and lovely. Just a pleasure to read from beginning to end.
