This is the second book in the Destiny Bay ranchers series by the awesome Helen Conrad...this story is about Joe Carrington and Carly Stevens... He needs someone to care for his children she takes the job... she needs to find out who her Father is.. I love her character and her determination to get to the bottom of things...

Destiny Ranch (Destiny Bay: The Ranchers #2) by Helen Conrad

Native Silver by Helen Conrad is an excellent western romance. It has the typical boy meets girl and horses on a ranch but it has flourishes that deliver. It begins with Shawnee Carrington returning home to help her grandfather who has signs of Alzheimer's. The place is more run down than she remembered.
