The Scent Of Desire Herz

The Scent of Desire. “Until Rachel Herz told us, who would have imagined that the aesthetics and physiology of the nose would both be as rich and complicated as those of the eye and mouth and heart? A charming and informative treatise on a vital and over-looked subject.”. - Adam Gopnik, author of Through the Children's Gate and Paris to the Moon. “This is a spicy perfume of a book, redolent with fascinating facts and provocative hypotheses.”.
