~~Annabel Crabb – Wikipedia~~

Most of the feminist critiques are adept at pointing out the problem, and for that I'm grateful. But Crabb's The Wife Drought is the first I've read in a long time that also points to a solution: working women need a lwife!. If women in senior positions were blessed with wives in the same way that men in senior positions frequently are, we might see a participatory uptick, because women wouldn't have to choose between having a career and having a family.

The depth of our attachment to ideas about which gender should care and which should work is the subject of Annabel Crabb's engaging and lively new book, The Wife Drought (Ebury Australia; \$34.99). Though Crabb writes with her characteristic impish wit and flair, her central thesis is nonetheless a serious one.

Book Review: The Wife Drought. Today's review is of The Wife Drought, by Annabel Crabb, Australian political writer and commentator. When I heard about this book, I knew I had to have it. I've been a fan of Annabel Crabb's writing since she wrote sketches in the SMH about the 2007 election. And I have read enough books about the intersection of feminism, motherhood and women in the workplace that I have a dedicated shelf of them at home.
