How to Replace Your TomTom Via 1605 Battery—YouTube

This User Manual explains all you need to know about your new TomTom VIA. To learn about getting started with your device and installing it in your vehicle, we recommend that you read the Get going chapter. After that, you will probably want to connect to TomTom services and you can read all about that in the Connecting to TomTom services chapter.

TomTom VIA User Manual

I bought this to replace my TomTom GO 930 which has maps of USA and Europe as standard. That one just failed after 4 years. This VIA 1605 only covers US Maps so I will need to buy the UK & Europe map separately and add to a Micro SDHC card. This model with crisp, clear 6 inch screen is great for those of us whose vision is not 20/20 anymore.
