Trail of Blood begins where history leaves off, and when the series of murders begin over again, forensic scientist Theresa MacLean must use her knowledge of Cleveland's past and forensic science to discover the secret behind these frenzied crimes and keep history from repeating itself.

~~TRAIL OF BLOOD by Lisa Black - Fresh Fiction~~

Book Overview. Seventy-five years ago, a madman nicknamed the Torso Killer terrorized Cleveland. His horrific spree lasted four years and crisscrossed the entire city. Overall, he was credited with more than a dozen murders. And he was never caught. Today, forensic scientist Theresa MacLean is called to an abandoned building where a desiccated, decapitated body has been found in a room that's been sealed off for years.
