Trick of Light is the first book in the
Trickster series by Rob Thurman. On the cover
it says something about a crazy twist at the
end and I personally liked that twist. I
really liked that book, but I found it
lacking something, nothing too important..

Trickster series - Wikipedia

The theory of the website *Tricked By The Light* is that souls on earth live in a holographic prison and are being farmed as an energy source. At death souls are lured to the light, the moon, by beautiful lights and sounds to be harvested. There is some kind of tower or technology on the moon which enables this.
