# Where To Download

During the 20th century there was a large increase in the variety of music that people had access to. Prior to the invention of mass market gramophone records and radio broadcasting, people mainly listened to music at live Classical music concerts or musical theatre shows, which were too expensive for

Twentieth century classical music was the effective dissolving of tonality.

The entire system of keys that had dominated the musical landscape since the late

Renaissance was by many composers, ultimately dismissed in favor of what would become known as

‘serialism’. In the early part of the 20 th
