Upside Down: A Primer for the Looking-Glass World, originally published in Spanish in 1998, was written by Eduardo Galeano, a Uruguayan author who was greatly impacted by the political turmoil during the 20th century military regimes in Latin America. Events such as the Uruguayan military coup forced Galeano into exile in Spain and Argentina; these exiles, in particular, may have been formative in Galeano's life and writing. The

These same pushy truths are revived in Galeano's 10th book, Upside Down: A Primer for The Looking-Glass World. Galeano's newest collection of essays and quiet manifestos-haunted throughout by the sketchings of deceased political illustrator Jose Guadalupe Posada-are part advertisement, part class syllabi, part prose performance piece, and part human rights reportage.
