Bible Handbook by Henrietta

The Bible is the source of the Christian religion in that it contains the words of God and how the Christian is to apply the words of God to his life. Basically, the Bible describes the origin of man in the Garden of Eden (Genesis 2:18-25) along with his fall into sin and out of fellowship with God (Gen. 3:1-19). It then describes how God called out a special people to Himself, the Israelites.
