This is the new truth of the sales world, and Win-Win Selling teaches you how to internalize that vital mantra. In this guide, you'll learn about a new approach to selling, the one where you stop being a salesperson and start being a partner to those you do business with. For me, the book definitely helps with that crucial change of mindset.

Private labels as a way to win customer loyalty Retailers that seize this moment to reset their private-label strategies can translate short-term switching behavior into long-term customer loyalty. Even as retailers have introduced new private-label products and brands over the years, few have thought through the role of private labels in their businesses.
