At times, boards of directors or shareholders may act on behalf of a corporation. A board resolution offers a formal way for boards to document in writing a decision that the board of directors made. Board resolutions serve as a formal, legal record of certain important decisions. In addition, certain board resolutions serve as proof of compliance.

Sample of a Board Resolution | BoardEffect

A Resolution of a Company or Board of Directors is a document that outlines the decisions made by the company or the board of directors in a meeting. This document can be adopted either as a board resolution or resolution of members of the company. A company resolution is the decision made by the members of the company at any general meeting, while board resolution is the decision made by the directors of the company at any board meeting.
